Summary:

Hardworking and efficient university student studying computer science at Simon Fraser University. I am experienced in working within a team environment, with excellent communication and listening skills and the ability to learn quickly. Knowledgeable in working in a fast-paced environment and keeping close attention to detail effectively and efficiently. Looking for a job that allows me to be hands-on and work within a team setting.

Education:

Pacific Academy High School September 2018 - June 2022
GPA: 4.3

Simon Fraser University September 2022 - Present
Computer Science Major

Work Experience:

June 2022 - Present | Line Cook | Glasshouse Estate Winery
Langley, B.C.

- Communicating with co-workers to ensure food is made efficiently
- Monitor food quality when going out to guests and ensure items are correctly stored.
- Managing time well to ensure minimal wait time for guests
- Maintain organization and cleanliness within the workspace

July 2020 - June 2022 | Expeditor | The Italian Osteria and Cheese Bar
Langley, B.C.

- Interacting with guests and making sure they feel welcomed
- Making certain food goes out on time with excellent quality
- Followed up with guests to make sure their visit was exceptional

July 2021 - September 2021 | Camp Leader | Panther Hoops Basketball Society
Langley, B.C.
